- **Certifications:** Design Thinking Approach, Kodecamp UX/UI Design, UI/UX Interactive Design & Prototyping, UI/UX Design with Figma: 5+ Real-world Projects.

PROFESSIONAL EXPERIENCE

HNG

Remote

Product Designer (Intern)

2025-2026

- Collaborated closely with product managers, engineers, and stakeholders to define product requirements and roadmap priorities.
- Develop a comprehensive style guide outlining design principles, typography, color palette, imagery guidelines, and UI elements for consistent and cohesive design implementation
- Documented design decisions and interaction patterns to support smooth developer handoff.

KODECAMP 5.0

Remote

Trainer (Intermediate)

2025

- Guiding participants through coding, product design, or UX/UI concepts, ensuring they understand core principles and can apply them practically.
- Designing and delivering lessons, exercises, and projects that align with KodeCamp's learning goals.
- Assisting learners with challenges, answering questions, and helping them overcome obstacles in real-time.
- Evaluating participant work, providing constructive feedback, and tracking progress to ensure skill development.

KODEHAUZ

Akwa Ibom, Nigeria

Senior Product Designer (Intern)

2024-2025

- To conduct user research and analyze data to identify design opportunities and inform design decisions
- Lead a POD in the first month of the internship to understand the product and to learn from each other
- Reviewed designs designed by other POD members
- Identified areas within the POD with potential for growth and improvement, and fostered their development
- Developed a comprehensive style guide outlining design principles, typography, color palette, imagery guidelines, and UI elements for consistent and cohesive design implementation
- Single-handedly redesigned the company website, ensuring the website is fully responsive and provides a seamless experience across desktop, tablet, and mobile devices.
- Joined a team to redesign the training platform(kode.camp) and its Learning Management System.

- Facilitated design reviews and user testing sessions with the Developers to gather feedback and improve design decisions.

HNG

Remote
